Applications:

The Sunmi V2S is perfect for various occasions and scenarios, such as retail stores, restaurants, cafes, supermarkets, and many more. Its compact design makes it easy to carry around and use wherever you go. The pos mobile terminal is equipped with a 5.0-inch IPS display screen, with a resolution of 720*1280, and a 9:16 aspect ratio. The display is bright, clear, and easy to read, making it ideal for use in any lighting condition.
The Sunmi V2S is powered by a Quad-Core 2.0GHz CPU, providing fast and efficient processing power. This makes it ideal for use in busy environments, where speed and accuracy are essential. The pos terminal handheld also comes with a 58mm thermal printer, which supports both receipt and label printing. This printer is fast and reliable, making it perfect for printing receipts, invoices, and other important documents.
The Sunmi V2S supports multiple languages, including English, Spanish, French, Chinese, and many more. This makes it ideal for use in international settings, where language barriers may be present. With its versatile design and powerful features, the Sunmi V2S is the perfect choice for anyone looking for a high-quality pos mobile terminal.
The packaging details for the Sunmi V2S are 1pc/box, 10pcs/carton, and the delivery time is 4-7 working days. Payment terms are T/T, and the supply ability is 20000 pieces per month. The model approved for the Sunmi V2S are T5940 and T5941, ensuring that you are getting a high-quality product that has been rigorously tested and approved.
