## Applications:

If you are looking for a reliable and efficient desktop POS terminal, the Sunmi D3mini is the perfect solution for your business needs. As a leading brand in the industry, Sunmi is known for its high-quality products that are designed to meet the needs of various businesses. The D3mini is one of their latest releases, and it comes with several features that make it an excellent choice for various application occasions and scenarios.

One of the key features of the Sunmi D3mini is its Android 13 Sunmi OS, which provides a user-friendly interface and allows for seamless integration with other devices. This desktop Android POS terminal is ideal for businesses that require a reliable and fast system for processing transactions, such as retail stores, supermarkets, restaurants, and cafes.

The D3mini is equipped with 3GB RAM and 32GB ROM, making it a powerful device that can handle multiple tasks simultaneously. It also has a printer paper roll OD of 50mm/60mm and a print head lifetime of 50km/150km, which ensures that you can print receipts and other documents without any issues.

The Sunmi D3mini also comes with several ports, including 3 USB 3.0 Type-A ports, 1 RJ11 serial port, 1 RJ12 cash drawer port, 1 RJ45 LAN port, 1 audio jack, 1 power port, and 1 MicroUSB Debug Port (hidden). These ports make it easy to connect other devices such as scanners, card readers, and cash drawers.

Moreover, the Sunmi D3mini is certified with CE, FCC, RoHs, and MSDS, ensuring that it meets international safety and environmental standards. It also has a supply ability of 10,000 pieces per month, making it easy to get your hands on this desktop POS system.

The Sunmi D3mini is an excellent choice for businesses that require a reliable and efficient desktop POS system. Its features make it suitable for various application occasions and scenarios, such as:

Retail stores

Supermarkets

Restaurants

Cafes

With a minimum order quantity of one sample, you can try out the Sunmi D3mini before making a larger purchase. The price is negotiable, and the packaging details come in a standard carton package. The delivery time is between 4-7 working days, and the payment terms are T/T.
