# Handheld PDA Data Collector With Dual Microphones And Barcode Scanner

## Basic Information

- Place of Origin:     China
- Brand Name:     Sunmi
- Certification:     CE , FCC , RoHs , MSDS
- Model Number:     L2KS
- Minimum Order Quantity:     1
- Price:     to be negotiated
- Packaging Details:     1pc/box,15pcs /carton
- Delivery Time:     4 - 7 working days
- Payment Terms:     T/T, L/C
- Supply Ability:     20000 pieces per month

## Product Specification

- Microphone:     2* MIC
- Screen:     4"HD, 800x480 Capacitive IPS
- Charging Base:     Charging Base Optional
- Using Industrial:     Widely Used In Warehouse For Stock Inventory , Used In Clothing Shop , Logistic Industrial
- Processor:     Octa-core Processor
- Trigger Handle:     Trigger Handle For Option
- IP Standard:     IP68 Protection Standard
- Item Name:     Pda Scanner
- Highlight:     **Handheld PDA Data Collector**, **Dual Microphones PDA Data Collector**, **Barcode Scanner Handheld Terminal PDA**

## Product Description

### Product Description:

Our protable data collector is perfect for those who need to collect data in the field. With a removable polymer lithium battery, 3.8V/5000mAh, you can be sure that this device will last all day. Additionally, the device comes equipped with a non-removable small battery of 60mAh (optional) for added convenience.

The PDA barcode scanner is perfect for those in the retail, healthcare, or industrial sectors, as it provides a reliable and easy-to-use solution for data collection. With its compact size, it can be easily carried in a pocket or backpack, and with its rugged design, it can withstand harsh environments and heavy use.

Overall, our handheld NFC data collector is the perfect solution for those who need a reliable and robust data collection device. Whether you are in the field or in the office, this device provides the performance and durability you need to get the job done.

### Features:

Product Name: Data Collector

Product: Pda Barcode Scanners

Keyword: Pda Android 11

NFC: Supports TypeA&B Card Mifare Card, Felica Card ISO/IEC 14443 And ISO15693 Compliant

Microphone: 2* MIC

Processor: Octa-core Processor

Features:

Portable data collector

Barcode PDA

GSM data collector

## Technical Parameters:

| Model | Sunmi L2Ks |
|---|---|
| Memory | 2GB RAM+32GB ROM , 2GB RAM+16GB ROM |
| Trigger handle | Trigger Handle For Option |
| Camera | Rear: 13MP AF Front: 5MP FF Rear Camera For 1D / 2D Barcode Scanning |
| NFC | Supports TypeA&B Card Mifare Card, Felica Card ISO/IEC 14443 And ISO15693 Compliant |
| Screen | 4"HD, 800x480 Capacitive IPS |
| Feature | Android Pda Barcode Scanner |
| Using industrial | Widely Used In Warehouse For Stock Inventory , Used In Clothing Shop , Logistic Industrial |
| Keyword | Pda Android 11 |
| Item name | Pda Scanner |

## Applications:

The Sunmi L2KS is perfect for stock inventory in warehouses, where it can help in managing inventory levels and tracking orders. It can also be used in clothing shops, where it can help in scanning barcodes on clothing items, making the checkout process faster and more efficient. Its use in logistic industrial is also recommended, where it can help in tracking shipments and managing inventory levels.
This barcode PDA is easy to use and can be carried around easily. It has a minimum order quantity of 1 and a supply ability of 20000 pieces per month. The price is negotiable, and the packaging details include 1pc/box and 15pcs/carton. The delivery time is 4-7 working days, and payment terms include T/T and L/C.
The Sunmi L2KS is a reliable and efficient barcode PDA that can help in various industries. It is equipped with a powerful processor, making it fast and efficient in scanning barcodes. It also has a removable polymer lithium battery, which ensures that it can be used for a longer period.
