

NFC Octa Core POS System 6nm Processor For Supermarket Desktop Terminal

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Sunmi
- Certification: CE , FCC , RoHs
- Model Number: T3 pro
- Minimum Order Quantity: 1
- Price: to be negotiated
- Packaging Details: 1pc/carton
- Delivery Time: 5 - 7 working days
- Payment Terms: T/T, L/C
- Supply Ability: 15000 pieces per month

Product Specification

- Support: Free SDK Offered
- Design: Aluminium Alloy Support Base, Interactive Design
- Smart Card Reader: NFC
- Item Name: Smart Desktop Terminal
- Resolution: 1920x1080
- Using Scenario: Supermarket, Retail Store, Clothing Shop, nail Salon Shop, beauty Store
- Connectivity: Wi-Fi, Bluetooth, Ethernet
- Feature: High Performance Octa-core 6nm Processor
- Highlight: **NFC POS System , Octa Core POS System , 6nm Processor POS Cash Register**

Product Description

Product Description:

One of the standout features of this POS system is its ability to connect with a cash drawer, making cash management easier and more efficient. The system is also powered by Sunmi OS based on Android 13, ensuring a reliable and secure operating system. The Touch Screen POS System boasts a high-resolution display of 1920x1080, providing clear and sharp visuals for easy menu navigation and order processing. The interactive design and aluminium alloy support base provide a modern and sleek look, perfect for any business setting.

With this POS system, businesses can streamline their sales process, reduce transaction time, and improve customer experience. The system's touch screen interface is user-friendly, allowing for easy and quick order processing. Additionally, the system's software can be customized to meet the specific needs of each business.

The Touch Screen POS System is an essential investment for businesses looking to improve their sales process and increase customer satisfaction. This product's ability to connect with a cash drawer, high-resolution display, and interactive design make it an excellent choice for businesses in various industries, including spa pos system, pos hardware system, and supermarket pos system.
