Product Description

Product Description:

Running on Android 9.0 Sunmi OS, this payment POS machine is equipped with the latest technology to streamline your transactions. With PCI PTS 6.x certification, you can trust that your customers' data is safe and secure. The Pinpad Payment Terminal comes in two memory options: 1GB RAM + 8GB ROM or 2GB RAM + 16GB ROM. This ensures that you have enough space to store all your important data, while also allowing for smooth and efficient operation of the pos payment system. But that's not all - this payment POS terminal is also equipped with a front-facing 0.3MP camera, perfect for scanning 1D/2D barcodes. And if you need to take photos, the optional 5MP camera has got you covered. Whether you're looking for a reliable POS terminal for your brick-and-mortar store or need a mobile payment solution for your business on-the-go, the Pinpad Payment Terminal is the answer. So don't wait - invest in this top-of-the-line pos terminal payment handheld today and take your business to the next level!

Applications:

The Sunmi P2 smartpad is certified with CE, FCC, RoHs, MSDS, EMV, Paypass, and PCI, which means that you can trust it to handle any payment securely. Its PCI PTS 6.x certification ensures that it meets the highest standards for payment security. Whether you're running a small business or a large corporation, the Sunmi P2 smartpad is perfect for all your payment needs. Its Android 9.0 Sunmi OS and Bluetooth 4.1, BLE connectivity make it easy to connect to other devices and accept payments from your customers. The Sunmi P2 smartpad is ideal for pos self-service payment scenarios, where customers can use the device to make payments without the need for assistance from staff. This makes it perfect for restaurants, cafes, and other businesses where customers may want to pay at their own pace.

With a minimum order quantity of 10 and a supply ability of 15000 pieces per month, the Sunmi P2 smartpad is a great investment for any business that needs a reliable and secure payment terminal. Its packaging details of 1pc/box, 10pcs/carton, and delivery time of 4 - 7 working days make it easy to order and receive.

Payment terms for the Sunmi P2 smartpad include T/T and L/C, and the price can be negotiated based on your specific needs. So why wait? Invest in the Sunmi P2 smartpad today and take your business to the next level!
