Product Description:

The POS Terminal comes with NFC support, which allows for contactless payments, making transactions easy and efficient. This feature is especially useful in today's world, where social distancing is important. With just a tap, customers can pay for their purchases, and businesses can keep their operations running smoothly.

The 5.5-inch screen display of this POS Terminal is perfect for displaying all the necessary information, making it easy for customers to read and navigate. The display is also responsive, ensuring a seamless user experience. Whether you're a small business owner or a large corporation, this POS Terminal is perfect for you.

Our POS Terminal is equipped with the latest operating systems - Android 12 and Android 13, ensuring that you have access to all the latest features and updates. This makes the Terminal highly versatile and compatible with various software programs and applications.

We understand that seamless integration is crucial for businesses, which is why we offer a free SDK for integration. This ensures that you can easily integrate our POS Terminal into your existing systems, minimizing the time and effort required for setup.

The wireless POS Terminal is perfect for businesses that require mobility. Whether you're a food truck vendor or a bus ticket agency, this POS Terminal is perfect for you. With its compact design, it can be easily transported and used on-the-go.

In conclusion, our POS Terminal is an all-in-one solution for businesses of all sizes. It comes with NFC support, a 5.5-inch screen display, and multiple language support. It runs on the latest operating systems - Android 12 and Android 13 - and comes with a free SDK for integration. Whether you're a small business owner or a large corporation, our POS Terminal is perfect for you. So, why wait? Get your hands on our POS Terminal today and take your business to new heights!

Products Description

Applications:

The HB-P55 POS Terminal is powered by an 8-core 1.6GHz CPU, making it one of the fastest nfc pos terminals available in the market today. It also features a 5.5-inch screen display that is perfect for displaying transaction details and other relevant information.
One of the unique features of the HB-P55 is its 58mm printer, which makes it possible to print receipts and other transaction records on the spot. This mini pos terminal is perfect for use in restaurants, where customers need to be provided with a receipt after each transaction. It can also be used in parking systems, prepaid airtime top-up, and convenience stores.
The HB-P55 POS Terminal comes with a free SDK that makes it easy to integrate into existing systems. It has a minimum order quantity of 2, and the price can be negotiated based on the order size. The packaging details include 20 pieces per carton, and the delivery time is between 2-5 working days. Payment terms include T/T and L/C, and the supply ability is 20,000 pieces per month.

Customization:

But that's not all – we also offer customization services! Add your own logo and choose your preferred color for a personalized touch. Plus, we offer a free SDK for integration and pre-installed Google Play Store for added convenience. The 5.5 inch screen display provides ample viewing space for easy navigation and use. Trust Hanbu for all your POS terminal needs – buy now!
