Product Description

Product Description:

The All In One POS Android Terminal is a versatile and powerful point-of-sale solution designed for a variety of businesses, including restaurants, parking systems, prepaid airtime top-ups, and convenience stores. With its compact design and advanced features, this POS terminal is perfect for streamlining operations and improving customer service.

Featuring a printer with a paper width of 58mm, the POS terminal allows for easy printing of receipts and transaction records. This ensures efficient record-keeping and enhances the overall customer experience.

The terminal is equipped with a high-capacity battery that provides long-lasting power to keep your operations running smoothly. With a battery capacity of 3.8V 6400mAh (7.6V 3200mAh), you can rely on this POS terminal to stay powered throughout the day.

Powered by an 8-Core CPU running at 1.6 GHz, the POS terminal delivers fast and reliable performance to handle multiple tasks simultaneously. This ensures quick transaction processing and smooth operation, even during peak hours.

Designed to meet the needs of various businesses, the POS terminal is highly customizable and can be tailored to suit specific requirements. Whether you need to add custom features or branding elements, this terminal can be easily adapted to meet your unique business needs.

Key Features:

Printer with 58mm paper width for easy receipt printing

Long-lasting battery with 3.8V 6400mAh (7.6V 3200mAh) capacity

8-Core CPU running at 1.6 GHz for fast and reliable performance

Perfect for restaurants, parking systems, prepaid airtime top-ups, and convenience stores

Accepts customization to meet specific business requirements

Whether you need a reliable POS solution for your restaurant, parking system, or convenience store, the All In One POS Android Terminal is the perfect choice. With its advanced features, customizable options, and versatile applications, this terminal is a valuable addition to any business looking to streamline operations and enhance customer service.

Upgrade to the All In One POS today and experience the convenience and efficiency of a modern POS cash system.

Applications:

The Hanbu HB-P6 POS Terminal is a versatile and cutting-edge product that is designed for a wide range of Product Application Occasions and Scenarios. With its advanced features and specifications, this Android POS Machine is suitable for various businesses and industries.

Whether you are a retail store, restaurant, or hospitality establishment, the Hanbu HB-P6 POS Terminal can cater to your specific needs. Its pos machine touch screen interface provides a user-friendly experience for both customers and employees. The multiple language support ensures seamless communication in diverse settings.

Thanks to its NFC capability, the Hanbu HB-P6 POS Terminal is ideal for quick and secure transactions, making it perfect for busy retail environments. The 5.99-inch screen display offers clear visibility, ensuring that customers can easily view their transactions.

With certifications such as CE, MSDS, CCC, and RoHS, you can trust the quality and safety of the Hanbu HB-P6 POS Terminal. Its reliable performance and long-lasting battery (3.8V 6400mAh) make it a dependable choice for businesses looking for a robust pos cash system.

Whether you need to place a small order or a bulk purchase, the Hanbu HB-P6 POS Terminal offers flexibility with a minimum order quantity of 2 units. The packaging details of 20 pieces per carton make it convenient for storage and transportation.

When it comes to delivery, the Hanbu HB-P6 POS Terminal ensures quick turnaround times, with a delivery time of 2 to 5 working days. You can choose from payment terms such as T/T or L/C, providing you with options that suit your business requirements.

With a supply ability of 20000 pieces per month, the Hanbu HB-P6 POS Terminal ensures that you can meet your business demands without any hassle. Additionally, the built-in MDM system offers enhanced security and management features for your peace of mind.
