HB-P6
Mobile Android POS

Product Description:

The Point of Sale (POS) Terminal is a versatile and powerful device designed to streamline payment processes for businesses of all sizes. This Android Handheld POS Terminal supports multiple languages, making it suitable for a global market. With a high-resolution 720*1440 IPS display, the terminal delivers crisp and clear visuals for smooth operation.

Equipped with WIFI connectivity, this POS Terminal ensures seamless communication for transactions and data transfer. The support for WIFI enables quick and reliable connections, enhancing efficiency in payment processing.

The charging port of this POS Terminal features a TYPE C interface, allowing for fast and convenient charging. This modern charging solution ensures that the device is always ready for use, providing uninterrupted service throughout the day.

Powering the POS Terminal is a robust 3.8V 6400mAh battery (7.6V 3200mAh), offering long-lasting performance to meet the demands of a busy retail environment. The high-capacity battery ensures extended usage time, reducing the need for frequent recharging.

Businesses can customize the POS Terminal with their own logo, creating a personalized touch that enhances brand visibility and recognition. The ability to add a custom logo to the terminal makes it ideal for businesses looking to promote their brand identity during customer interactions.

Applications:

The Hanbu HB-P6 POS Terminal is a versatile and reliable device that can be used in various product application occasions and scenarios, making it a perfect choice for businesses looking for a high-quality POS system.

Supporting WIFI connectivity, the HB-P6 POS Terminal is ideal for businesses that require flexibility in processing payments. Whether you are a retail store, restaurant, or service provider, this POS terminal can streamline your billing process and enhance customer satisfaction.

With its handheld design, the HB-P6 POS Terminal is perfect for businesses that need a portable and convenient solution for processing transactions on-the-go. Its compact size and lightweight construction make it easy to carry around, allowing you to serve customers efficiently and quickly.

Whether you need to accept payments at a trade show, pop-up event, or outdoor market, the Hanbu HB-P6 POS Terminal is designed to meet your needs. Its durable construction and reliable performance ensure that you can process transactions smoothly and securely in any environment.

Manufactured in China, the HB-P6 POS Terminal is built to the highest standards and comes with certifications such as CE, MSDS, CCC, and RoHs, ensuring compliance with international quality and safety regulations. Its high-quality components and advanced features make it a dependable choice for businesses of all sizes.

Offering a minimum order quantity of 2 units, the Hanbu HB-P6 POS Terminal is suitable for small businesses and large enterprises alike. The pricing is negotiable, making it a cost-effective solution for businesses looking to upgrade their POS systems.

With a supply ability of 20000 pieces per month, businesses can rely on the HB-P6 POS Terminal to meet their demands and scale with their growth. The delivery time of 2 - 5 working days ensures that you can quickly receive your order and start using the device to improve your business operations.

The HB-P6 POS Terminal features a 5.99-inch screen display, providing a clear and easy-to-read interface for processing transactions. It comes with a power adapter of 5V/2A and a TYPE C charging port, ensuring fast and efficient charging for continuous use.

In addition, the HB-P6 POS Terminal is equipped with a 3.8V 6400mAh battery (7.6V 3200mAh), offering long-lasting power for extended use. The device also comes with an MDM system, providing comprehensive management and control capabilities for businesses seeking enhanced security and efficiency.

Overall, the Hanbu HB-P6 POS Terminal is a reliable and feature-rich solution for businesses in need of a versatile and efficient billing POS machine terminal. Whether you are looking for a handheld POS terminal for on-the-go transactions or a stationary POS system for your store or restaurant, the HB-P6 is designed to meet your needs and exceed your expectations.
