GPS: GPS/Glonass/Beidou/ Galileo
Printer: 58mm Thermal Printer

Technical Parameters:

Weight	419g (battery Incl.)
Battery	7.7V 3100mAh
Warranty	1 Year
NFC	Optional
Printer	58mm Thermal Printer
Port	USB Type-C OTG
Display Screen	6.75"HD+
Memory	3GB+32GB
CPU	Qualcomm Hexa-core
Scanner	Optional

Applications:

Sunmi V3, a handheld payment POS terminal, is a versatile device suitable for various product application occasions and scenarios. With its compact dimensions of 238*81.8*16.8 mm, the Sunmi V3 is a portable solution that can be used in a wide range of settings.

One of the key features of the Sunmi V3 is its 58mm thermal printer, making it ideal for businesses that require receipts for transactions. The device is perfect for retail shops, restaurants, cafes, and other establishments that need a reliable POS system.

Thanks to its 3GB+32GB memory capacity, the Sunmi V3 can handle large amounts of data, ensuring smooth and efficient operation. The optional NFC capability further enhances its versatility, allowing for contactless payments and other NFC-enabled functions.

With certifications such as CE, FCC, RoHs, MSDS, and BIS, the Sunmi V3 meets international quality standards, giving users peace of mind regarding its safety and reliability. The 1-year warranty provides additional assurance of the product's durability.

The Sunmi V3 is designed for convenience, with 24/7 support available to assist users with any issues or questions they may have. Its user-friendly interface makes it easy to operate, making it suitable for both novice and experienced users.

Whether you are a small business owner looking for a cost-effective POS solution or a larger enterprise in need of a reliable handheld POS terminal, the Sunmi V3 is an excellent choice. The minimum order quantity of 1 and flexible pricing make it accessible to businesses of all sizes.

With a supply ability of 15000 pieces per month and a delivery time of 4 - 7 working days, the Sunmi V3 ensures quick and efficient fulfillment of orders. The T/T payment terms provide a secure and convenient payment option for customers.

In terms of packaging, the Sunmi V3 comes in individual boxes, with 5 units packed in each carton, ensuring safe and organized delivery. Its compact size and lightweight design make it easy to transport and set up in various locations.
