Applications:

The Hanbu HB-P6 All In One POS Terminal is a versatile and efficient device suitable for a wide range of application occasions and scenarios. With its advanced features and capabilities, this Android Handheld POS Terminal from China is designed to meet the needs of various businesses and industries.

Whether you are running a retail store, restaurant, or any other business that requires point-of-sale transactions, the Hanbu HB-P6 POS Terminal is the perfect solution. Its compact size and powerful performance make it ideal for use in both indoor and outdoor settings.

Thanks to its certification including CE, MSDS, CCC, and RoHs, you can trust the quality and safety of this POS Terminal. The minimum order quantity is 2 units, and the price is open for negotiation. Each unit comes with packaging details of 20 pieces per carton, ensuring convenient transportation and storage.

With a fast delivery time of 2 - 5 working days, you can quickly receive your orders and start using the POS Terminal. The payment terms accepted are T/T and L/C, providing flexibility for your transactions. Additionally, the supply ability of 20000 pieces per month ensures a steady availability of the product.

The Hanbu HB-P6 POS Terminal is equipped with a 3.8V 6400mAh(7.6V 3200mAh) battery, offering long-lasting power for uninterrupted operation. It supports multiple languages, making it suitable for use in diverse locations and settings.

For businesses looking for customization options, the Hanbu HB-P6 POS Terminal accepts customizations to meet specific requirements. It also offers an MDM system for added convenience and security. Running on Android 12 operating system, this POS Terminal provides a user-friendly interface and seamless performance.

In conclusion, the Hanbu HB-P6 All In One POS Terminal is a reliable and versatile device that caters to various application occasions and scenarios. Its innovative features, certifications, and customization options make it a valuable asset for businesses seeking efficient point-of-sale solutions.
