  Customizable Desktop POS

Product Description:

Designed for restaurants and cafes, the HB-P11 streamorders with its 11-inch responsive touchscreen and instant receipt printing. The rugged, splash-resistant CMF design withstands chaotic kitchen environments, while the 400-cycle battery guarantees reliability during long shifts. Integrated GPS and WiFi support mobile ordering for outdoor seating, and the one-key barcode scanner simplifies inventory management for suppliers.

Optimized for logistics, this POS features an industrial-grade 2D barcode scanner that reads damaged or faded labels from any angle. The removable 6400mAh battery supports 12+ hours of mobile scanning in warehouses, while 4G LTE and GPS enable real-time shipment tracking. With 4GB RAM and Android OS, it seamlessly integrates with warehouse management systems.
