

## Hyper Wi-Fi Supported Data Collector with Multi-Touch Capacitive Screen and Professional Scan Engine

### Our Product Introduction

for more products please visit us on [heimipos.com](http://heimipos.com)

#### Basic Information

- Place of Origin: China
- Brand Name: Sunmi
- Certification: CE , FCC , RoHs , MSDS
- Model Number: L3
- Minimum Order Quantity: 1
- Price: to be negotiated
- Packaging Details: 1pc/box,15pcs /carton
- Delivery Time: 4 - 7 working days
- Payment Terms: T/T, L/C
- Supply Ability: 20000 pieces per month

#### Product Specification

- Displays: 6.75"HD+
- GMS: Supported GMS
- NFC: Tap On Screen & Tap On The Back only  
Non-rfid Version Support SOFTPOS,  
EMVCo PCD L1 Certified Support ISO/IEC  
14443 TypeA/B , Mifare , Felica , ISO 15693  
Support NFC Tag
- Feature: Android Pda Barcode Scanner
- Processor: Octa-core, Up To 2.2GHz
- Memory: 4GB RAM+64GB ROM
- Keyword: Pda Android 14
- Hyper Wi-Fi: Supported Hyper Wi-Fi
- Highlight: **Wi-Fi Supported Data Collector,  
Capacitive Screen Data Collector**

## Product Description

### Product Description:

A Handheld Data Collector is an essential tool for businesses looking to efficiently gather and manage data in various settings. The Data Collector product offers a versatile solution for data collection needs, featuring a 6.75" HD+ display that provides clear visibility and ease of use.

One of the standout features of the Data Collector is its optional Professional Scan Engine, which enables fast and accurate scanning capabilities for capturing data quickly and efficiently. This professional-grade scanner ensures reliable performance, making it ideal for a wide range of data collection applications.

Additionally, the Data Collector supports GMS, ensuring compatibility with Google Mobile Services for seamless connectivity and access to a wide range of applications. This feature enhances the device's functionality and versatility, allowing users to leverage the power of GMS for enhanced productivity.

For extended use in the field, the Data Collector is equipped with a removable Lithium Polymer Battery with a capacity of 4.4V/5000mAh. The optional support for hot swap functionality provides added convenience, allowing users to easily replace the battery on the go without disrupting their data collection activities.

Another key feature of the Data Collector is its support for fingerprint authentication, offering an additional layer of security for data access and user verification. This feature enhances data protection and privacy, making the device suitable for sensitive data collection tasks.

In summary, the Data Collector is a powerful and portable data logging device that combines advanced features with user-friendly design. Its 6.75" HD+ display, optional Professional Scan Engine, GMS support, removable battery with hot swap capability, and fingerprint authentication make it an ideal solution for businesses seeking a reliable and efficient handheld data collection tool.

### Features:

Product Name: Data Collector

Fingerprint: Supported Fingerprint

Interface:

1\*Type-C

6\*Pogo PIN At The Bottom For Connecting Accessories

8\*Pogo PIN On The Back For Connecting Accessories (Optional)

Model: Sunmi L3

Product: Smart Mobile Terminal

Hyper Wi-Fi: Supported Hyper Wi-Fi

### Technical Parameters:

NFC	Tap On Screen & Tap On The Back(only Non-rfid Version) Support SOFTPOS, EMVCo PCD L1 Certified Support ISO/IEC 14443 TypeA/B , Mifare , Felica , ISO 15693 Support NFC Tag
Feature	Android Pda Barcode Scanner
GMS	Supported GMS
Keyword	Pda Android 14
Scanner	Professional Scan Engine (Optional)
Fingerprint	Supported Fingerprint
Displays	6.75"HD+
Operation System	Android 14 Sunmi OS
Touch Screen	Multi-Touch Capacitive
UHF RFID	902MHz~928MHz/ 865MHz~868MHz Frequency 5~33dB Output Power Max Read Range 4 M* Fastest Read Rate 300 Tags/ S

**Unmatched industrial-grade  
protections.**

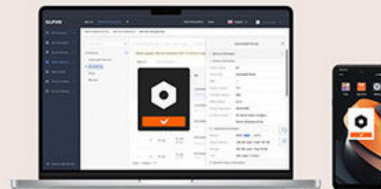

**IP68 waterproofing, 1.5m concrete drop survival,  
2,000 tumble tests – built to last!**

## **Deployment and management made easy.**

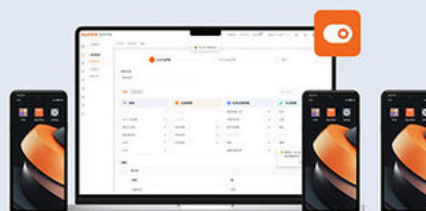

### **Simplified Deployment**

Pre-configured setup and quick deployment enables rapid business expansion.

### **Effortless Device Management**

Take control of your devices from a centralized console, ensuring consistent and efficient configurations from 10 to 10,000 stores efficiently at your fingertips!

## Applications:

---

The Sunmi L3 Data Collector is a versatile device that can be used in various product application occasions and scenarios, making it a valuable tool for businesses and organizations. With its advanced features and capabilities, the Sunmi L3 is ideal for field data recording, cloud-sync data recording, and high-speed data acquisition tasks.

Whether you need to collect data in the field, synchronize data with the cloud, or quickly acquire large amounts of data, the Sunmi L3 is up to the task. Its compact design and durable construction make it suitable for use in a wide range of industries and environments. Thanks to its professional scan engine, the Sunmi L3 can efficiently capture data with precision and accuracy. The optional fingerprint support adds an extra layer of security and convenience for data authentication.

The interface of the Sunmi L3 includes a Type-C port and multiple Pogo PIN connectors, providing flexibility for connecting various accessories. The removable lithium polymer battery with hot swap support ensures continuous operation without downtime. Whether you are in retail, logistics, healthcare, or any other industry that requires data collection on the go, the Sunmi L3 is a reliable companion. Its intuitive buttons for power, volume, and scanning make operation easy and efficient.

With certifications such as CE, FCC, RoHs, and MSDS, you can trust the quality and safety of the Sunmi L3. The product is manufactured in China with a minimum order quantity of 1 and a negotiable price, making it accessible for businesses of all sizes.

Experience the convenience and efficiency of the Sunmi L3 Data Collector for your data recording needs. With a supply ability of 20,000 pieces per month and fast delivery times of 4-7 working days, you can rely on Sunmi for high-quality data collection solutions. Enhance your data collection processes with the Sunmi L3 and unlock new possibilities for field data recording, cloud-sync data recording, and high-speed data acquisition.

## Customization:

---

Product Customization Services for the Data Collector:

Brand Name: Sunmi

Model Number: L3

Place of Origin: China

Certification: CE , FCC , RoHs , MSDS

Minimum Order Quantity: 1

Price: to be negotiated

Packaging Details: 1pc/box,15pcs /carton

Delivery Time: 4 - 7 working days

Payment Terms: T/T, L/C

Supply Ability: 20000 pieces per month

IP standard: IP68 Protection Standard

Camera: 5MP FF Front Camera + 13MP AF Rear Camera

Buttons: 1\*Power Button 1\*Custom Button 1\*Volume Button 2\*Scan Button

Processor: Octa-core, Up To 2.2GHz

Model: Sunmi L3

Product Keywords: Bluetooth Data Logger, User-Friendly Data Collection Tool, Cloud Sync Data Recorder

## Support and Services:

---

Our Data Collector product comes with comprehensive technical support and services to ensure that you have a seamless experience. Our team of experts is available to assist you with any issues you may encounter, whether it's troubleshooting, installation guidance, or software updates.

We also offer training programs to help you maximize the potential of your Data Collector device. Our support services are designed to provide you with the necessary resources and assistance to optimize your data collection processes and achieve your goals efficiently. Feel free to reach out to our technical support team for any questions or assistance you may need regarding your Data Collector product. We are committed to providing you with the best support possible to enhance your experience with our product.

## Packing and Shipping:

---

Product Packaging for Data Collector:

- The Data Collector will be securely wrapped in bubble wrap to prevent any damage during transit.
- It will be placed in a sturdy cardboard box with additional padding to ensure safe delivery.

Shipping Information:

- Shipping method: Standard ground shipping
- Estimated delivery time: 5-7 business days
- Shipping cost: \$10

## FAQ:

---

**Q: What is the brand name of the Data Collector product?**

A: The brand name of the Data Collector product is Sunmi.

**Q: What is the model number of the Data Collector product?**

A: The model number of the Data Collector product is L3.

**Q: Where is the Data Collector product manufactured?**

A: The Data Collector product is manufactured in China.

**Q: What certifications does the Data Collector product have?**

A: The Data Collector product is certified with CE, FCC, RoHS, and MSDS.

**Q: What is the minimum order quantity for the Data Collector product?**

A: The minimum order quantity for the Data Collector product is 1.
