Streamline Your Transactions Portable POS Device with Powerful Qualcomm Hexa-core CPU and 3GB 32GB Memory

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Sunmi
- Certification: CE , FCC , RoHs , MSDS , BIS
- Model Number: M3
- Minimum Order Quantity: 1
- Price: to be negotiated
- Packaging Details: 1pc/box,5pcs /carton
- Delivery Time: 4 - 7 working days
- Payment Terms: T/T
- Supply Ability: 15000 pieces per month

Product Specification

- GMS: Supported GMS
- Card Slot: 1*Micro SD 1*PSAM (Optional)
- Warranty: 1 Year
- GPS: GPS/Glonass/Beidou/ Galileo
- Protection: IP65 1.5m Drop Test (Concrete Floor)
- Scanner: Optional
- Dimensions(L*W*H): 175*79*15 Mm
- Memory: 3GB+32GB

Product Description:

The Mobile POS product is a cutting-edge Wireless POS Terminal designed to revolutionize the way small businesses handle transactions. With its 6.75-inch Touchscreen display, this POS system provides a user-friendly interface for smooth operation. Measuring 175*79*15 mm in dimensions, it strikes the perfect balance between portability and functionality, making it an ideal choice for on-the-go businesses.

Equipped with optional scanner functionality, the Mobile POS product offers added versatility to cater to diverse business needs. Whether scanning barcodes or processing payments, this feature enhances efficiency and accuracy in transaction processing.

When it comes to performance, the Mobile POS product boasts a robust memory configuration of 3GB RAM and 32GB storage capacity. This ample memory ensures seamless multitasking and sufficient storage space for transaction records and data management.

Weighing only 272g, this lightweight POS device is easy to carry around, further enhancing its mobility and practicality for small businesses with limited counter space or those needing a portable solution for events and pop-up shops.

In conclusion, the Mobile POS product is a versatile and efficient POS solution tailored for small businesses looking to streamline their transactions. With its Touchscreen interface, optional scanner functionality, ample memory, and compact design, this POS system offers convenience and reliability for businesses on the move.

Features:

Product Name: Mobile POS
GPS: GPS/Glonass/Beidou/Galileo
Net Weight: 272g
Cpu: Qualcomm Hexa-core
Battery: 7.7V 3100mAh
Dimensions(L*W*H): 175*79*15 Mm

Technical Parameters:

Operation system	SUNMI OS (Based On Android 14 64bit)
Net Weight	272g
Dimensions(L*W*H)	175*79*15 mm
Battery	7.7V 3100mAh
Card Slot	1*Micro SD 1*PSAM (Optional)
Warranty	1 Year

Applications:

Sunmi M3, a cutting-edge mobile POS terminal, is a versatile device ideal for a wide range of Product Application Occasions and Scenarios. With its innovative features and robust specifications, the Sunmi M3 is a game-changer in the realm of Point of Sale (POS) solutions.

One of the primary Product Application Occasions for the Sunmi M3 is in the realm of AR Shopping POS. The device's powerful hardware, including the Qualcomm Hexa-core CPU, and the SUNMI OS based on Android 14 64bit, make it an ideal choice for businesses looking to integrate Augmented Reality (AR) technology into their retail operations. The M3's GPS capabilities (GPS/Glonass/Beidou/Galileo) further enhance its suitability for AR Shopping POS scenarios, enabling precise location tracking and seamless customer interactions.

Moreover, the Sunmi M3 excels as a Pocket-friendly POS Terminal, offering compact dimensions (175*79*15 mm) that make it easy to carry and use in various settings. Whether in a retail store, a pop-up shop, or a mobile sales environment, the M3's portability and efficiency ensure smooth and efficient transactions.

Businesses seeking a reliable POS solution will find the Sunmi M3 to be a perfect fit. Its certifications (CE, FCC, RoHs, MSDS, BIS) guarantee compliance with international standards, while the one-year warranty provides peace of mind to users. With a minimum order quantity of just 1 unit and a supply ability of 15000 pieces per month, the M3 offers flexibility and scalability to businesses of all sizes.

In terms of logistics, the Sunmi M3 comes with convenient Packaging Details (1pc/box, 5pcs/carton) and a short Delivery Time of 4 - 7 working days. Payment Terms via T/T ensure secure transactions, while the Price, to be negotiated, allows for customization based on specific business needs.

Customization:
