Product Description

T606 POS Terminal: Your All-in-One Powerhouse for Fast, Reliable Transactions

Key Features/Benefits Banner:

Lightning-Fast 8-Core Processing: Handle peak hours effortlessly.
Marathon 6400mAh Battery: Power through long shifts without worry.
Always Connected: Wi-Fi, 4G LTE, Bluetooth, GPS, NFC - Accept payments anywhere.
Built-in 80mm Printer: Print receipts instantly, standard.
Certified & Secure: Android 14 with GMS for trusted app access.
Product Specifications Table:

Key Features & Advantages:

Processor	Octa-Core (8-Core), up to 2.0 GHz
Memory & Storage	3GB RAM + 32GB ROM (Expandable via MicroSD)
Operating System	Android 14 (With GMS Certification)
Display	6.5-inch HD+ IPS, 1600 x 720 Resolution
Connectivity	Wi-Fi (802.11 a/b/g/n/ac), Bluetooth 5.0, 4G LTE (Multi-band), GPS, NFC
Cameras	Front: 2MP (Fixed Focus), Rear: 5MP (Fixed Focus)
Battery	6400mAh Pure Cobalt Lithium Battery
Printing	Integrated Industry-Standard 80mm Thermal Printer
Power Supply	5V/2A Adapter + Type-C Charging Cable (Included)
Included Accessory	1x Thermal Roll Paper (80mm)

Dual Scanning

5-megapixel camera, support fill-in light, auto focus support 1D/2D code scanning (hardware scanning engine: optional)

Unmatched Performance & Multitasking:

Feature: Powerful Octa-Core processor (up to 2.0 GHz) and 3GB RAM.

Advantage: Runs your POS software, inventory apps, and payment processing simultaneously without lag, ensuring smooth and fast transactions even during the busiest periods. Say goodbye to frustrating slowdowns.

Android 14 with GMS Certification - Secure & Versatile:

Feature: Latest Android OS, fully Google Mobile Services (GMS) certified.

Advantage: Access millions of trusted apps from the Google Play Store, including all major POS, accounting, and business management solutions. Guarantees security updates, compatibility, and a familiar, reliable platform for your staff.

Massive All-Day Battery & Fast Charging:

Feature: High-density 6400mAh Pure Cobalt Lithium battery.

Advantage: Powers the device and printer through extended shifts (500+ transactions easily) without needing a recharge. The included 5V/2A adapter with Type-C cable provides quick top-ups when needed. Reduces downtime and power cord clutter.

Comprehensive Connectivity Suite - Future-Proof:

Feature: Wi-Fi (Dual-band capable), Bluetooth 5.0, 4G LTE, GPS, NFC.

Advantage: Accept payments anywhere with flexible options (Cellular data as backup/primary). Connect peripherals easily (Bluetooth scanners, scales). Enable location-based services. Facilitate fast, secure contactless (Tap-to-Pay) payments via NFC. Ensures you're always operational and ready for modern payment methods.

Integrated High-Speed 80mm Thermal Printer:

Feature: Built-in standard 80mm thermal receipt printer.

Advantage: Print customer receipts, order tickets, or reports instantly and reliably right from the terminal. No need for bulky external printers, saving space and simplifying setup. Includes starter roll.

Essential Cameras for Flexibility:

Feature: Front (2MP) and Rear (5MP) cameras.

Advantage: Enables barcode scanning (using software), basic documentation capture, or potential customer identification/kiosk applications.

Why Choose the P65?

The POS Terminal combines robust hardware, the flexibility and security of Android 14, and exceptional battery life in a complete package. With built-in printing and every connectivity option you need (including NFC for contactless), it's the reliable, powerful, and versatile solution to streamline your checkout, boost efficiency, and enhance the customer experience in demanding environments like restaurants, retail stores, and service counters.
