Product Description

The SUNMI M3 stands out for its modular design, adapting to diverse workflows via customizable accessories and features. A programmable custom button can be mapped to “open cash drawer,” “launch inventory app,” or “start patrol log,” cutting task time by 35%. 6 pogo pins enable quick attachment of barcode scanners, magnetic card readers, or extended batteries—transforming it from a POS tool to a field service device in seconds.

For fleet management, 4-slot charging bases keep multiple units powered, while a protective case and hand strap add durability for mobile teams. GMS certification ensures compatibility with business apps like Google Workspace, streamlining cross-team collaboration. Whether for multi-store retail chains or event management, the M3 scales with your needs.

Product Advantages

Customizable via accessories and programmable buttons, fitting unique workflows.

Simplifies fleet management with multi-slot chargers, reducing charging time by 50%.

Integrates with Google apps for seamless team collaboration and data analysis.

Adapts to roles (retail, events, security) without needing multiple devices.

Product Features

Hygiene: Easy-to-disinfect casing, compatible with medical cleaners.

Security: NFC (patient/student ID scanning), optional PSAM.

Connectivity: Wi-Fi 6 (optional), Bluetooth 5.2 for peripheral pairing.

Cameras: 2MP front/rear (document scanning).

Battery: 5000mAh removable, 12-hour runtime.
